**Guidelines for Reserving Salmon Brook Park, Ahrens Park,
Brook Pasture Lane & Massaco Lane**

Welcome to Granby's Park system! We are happy to have you as our guests. The following information is provided to help you enjoy your visit.

Salmon Brook Park is a Town owned recreation facility located on Routes 10 & 202, 1/2 mile south of Granby Center. The primary use of Salmon Brook Park is for residents to enjoy leisure pursuits such as tennis, day camp, swimming, playgrounds, baseball, soccer, basketball, volleyball, picnicking and hiking. The Park is also the host to many special activities sponsored by local organizations including sports competitions and cultural events. Between May and November the picnic pavilions and athletic fields may be reserved by private groups for outings.

Ahrens Park is a 55-acre facility located on Hungary Road approximately .6 mile from Route 20 across from The Town Green. The primary use of this facility is soccer, lacrosse and baseball; community gardens are also located here.

Brook Pasture Lane and **Massaco Lane** are small community areas located within housing developments. Use of these facilities is for sport practices. Parking is limited at both these areas. Users are requested to park only on one side of the road facing toward the main road.

Consumption of alcoholic beverages is not allowed on any Town property.

All applications to reserve Town Parks are reviewed by Town Staff. Fee schedules are based on User Classification Codes listed in the attachment. Based upon their recommendations, a police officer or a staff custodian may be assigned to your outing at your cost. You will be notified before your application is processed if an officer or custodian will be needed or if other special conditions need to be met. Generally speaking, this would be a consideration if attendance at your outing exceeds 150 people.

Salmon Brook Park, Ahrens Park, Brook Pasture Lane and Massaco Lane are all family and recreational facilities. We encourage use compatible with our goal to provide a safe, well-maintained, attractive place for people to enjoy. Park users are responsible for keeping the area clean; trash receptacles are provided for your use and we urge your cooperation. Pets are to be leashed and owners must clean up after their pets. Please be considerate of the neighbors.

If you have any questions about our Parks, please call the Recreation Office at 844-5356. It is a good idea to visit the area before making a reservation to insure that our facility meets the needs and expectations of your group. The enclosed guidelines have changes from previous years; please review them carefully before making a reservation and if you have any questions - please call!

Granby Parks & Recreation Department
